CBSE

The goal of the Academic, Training, Innovation and Research unit of Central Board of Secondary Education is to achieve academic excellence by conceptualising policies and their operational planning to ensure balanced academic activities in the schools affiliated to the Board. The Unit strives to provide Scheme of Studies, curriculum, academic guidelines, textual material, support material, enrichment activities and capacity building programmes. The unit functions according to the broader objectives set in the National Curriculum Framework-2005 and in consonance with various policies and acts passed by the Government of India from time to time.

The screenshot shows the NCERT website homepage. At the top, there is a navigation bar with the NCERT logo and name in Hindi and English: "राष्ट्रीय शैक्षिक अनुसंधान और प्रशिक्षण परिषद्" and "National Council of Educational Research & Training". A search bar is located on the right. Below the navigation bar, there is a main banner for the "MISSION LiFE Lifestyle for Environment" campaign. The banner features a cartoon girl watering a plant and several icons representing environmental goals: "Say No to Single Use Plastic", "Save Energy", "Save Water", "Adopt Sustainable Food System", "Reduce E-waste", "Adopt Healthy Lifestyle", and "Reduce waste". Below the banner, there is a "Latest Update" section with a link to "Engagement of 02(two) drivers on contractual basis in the NCERT". At the bottom, there is a section for "NCERT Constituents" with images of various NCERT centers.

Tata Crucible

Tata Crucible was started as a key initiative in 2004, a year which was christened as the 'Century of Trust' year to commemorate the death centenary of the Founder of the Group – J.N. Tata and the birth centenaries of two of its illustrious leaders – J.R.D. Tata and Naval H. Tata. It generated huge response as a high quality business quiz in the very first year and has now become an annual event. In a commissioned research Tata Crucible Campus Quiz has been judged highest rated ground quiz by the students of participating colleges.

UNESCO

UNESCO is the United Nations Educational, Scientific and Cultural Organization. It contributes to peace and security by promoting international cooperation in education, sciences, culture, communication and information. UNESCO promotes knowledge sharing and the free flow of ideas to accelerate mutual understanding and a more perfect knowledge of each other's lives. UNESCO's programmes contribute to the achievement of the Sustainable Development Goals defined in the 2030 Agenda, adopted by the UN General Assembly in 2015.

- No. of Competitions: 5-7
- Famous Competitions for Students by UNESCO: UNESCO Youth Eyes on the Silk Roads International Photo Contest, UNESCO Leading Minds Fellowship on Climate, UNESCO Youth-in-Action Photo Contest
- Classes: Age 15-28
- Prizes: Prizes worth Rs. Lakhs
- For more information, visit <https://www.unesco.org/en>

The banner features the UNESCO logo in the top left corner. The main headline reads "The price of inaction: educational gaps cost \$10,000 billion a year". Below the headline, there is a paragraph of text: "While 250 million girls and boys are currently excluded from access to education across the globe, UNESCO calls to break the 'vicious circle' of school drop-outs. The Organization reveals the economic and societal cost of educational deficiencies in a new report published with OECD and the Commonwealth Secretariat." A second paragraph follows: "Education is an essential resource for meeting the challenges of today, from poverty reduction to the fight against climate change. As UNESCO leads international efforts to achieve quality education for all by 2030, the Organization calls on all Member States to respect their commitment to transform education from a privilege to a prerogative for every human being throughout the world." A blue button with the text "The price of inaction" and a right-pointing arrow is located at the bottom left of the banner. The background of the banner is a photograph of several young children in a classroom setting, looking towards the camera.

IITs

The Indian Institutes of Technology are a network of engineering and technology institutions in India. Established in 1950, they are under the ownership of the Ministry of Education of the Government of India and are governed by the Institutes of Technology Act, 1961.
