Subject: Adolescent Peer Educators Leadership in Life Skills, Health and Wellbeing - Registrations for Fourth Phase of Training Programs

Dear Principal

The Central Board of Secondary Education had launched the Adolescent Peer Educators Leadership in Life Skills, Health and Wellbeing program on 23rd November 2021. The Board has taken the initiative to launch and support this program in partnership with Expressions India. Since then 78 batches of online trainings have been completed in which 7536 students and 3768 Teacher Mentors from 1915 schools have been trained.

The primary aim of the program is to enhance the physical, mental, and interpersonal capabilities of senior students, designated as Peer Educators, along with the School Counsellors or 1-2 Nodal teachers chosen by the school. This capacity-building initiative seeks to ensure the effective implementation of Life Skills Education within schools. The students who undergo this training form the School's Master Trainer Group, responsible for conducting Life Skills orientation programs for other members within their own school and neighboring schools.

In this context, the Board has released the following circulars:
