INTER SCHOOL CONTESTS Since 2004

 QUIZ  DEBATE  DRAW

ABOUT INDIA INSIGHT

Conceptualised by Vidyaniketan Public School, India Insight is an international-level, inter-school contest comprising of **DEBATE**, **DRAWING** and **QUIZ**. It is the first international quiz to be hosted by a school, digitally, with participation from 10 countries. The events are open for grades 5-12 under the Junior and Senior categories.

THE VISION

India Insight is a quiz conceptualised in 2004 by the visionary educator and founder Principal of the Vidyaniketan Public School, Mrs. Prema Rajagopal. It was her passion and desire to ignite the spirit of India, among children, by creating awareness about the culture, heritage and ethos of our lovely nation. Aptly titled, INDIA INSIGHT, the quiz was organised in Bengaluru as one of the flagship events of the school and grew to become a sought-after calendar event for all the schools in Bengaluru and Hosur.

INDIA INSIGHT IN ITS DIGITAL AVATAR

The school strongly believes in and advocates that one must explore, engage and evolve. What better way, than to host a quiz where children celebrate India and learn about the country in the process.

In the year 2020, as the school celebrated its 35th anniversary, the quiz was launched in an entirely digital avatar and catered to all Indian schools globally, irrespective of the geographic location of the school.

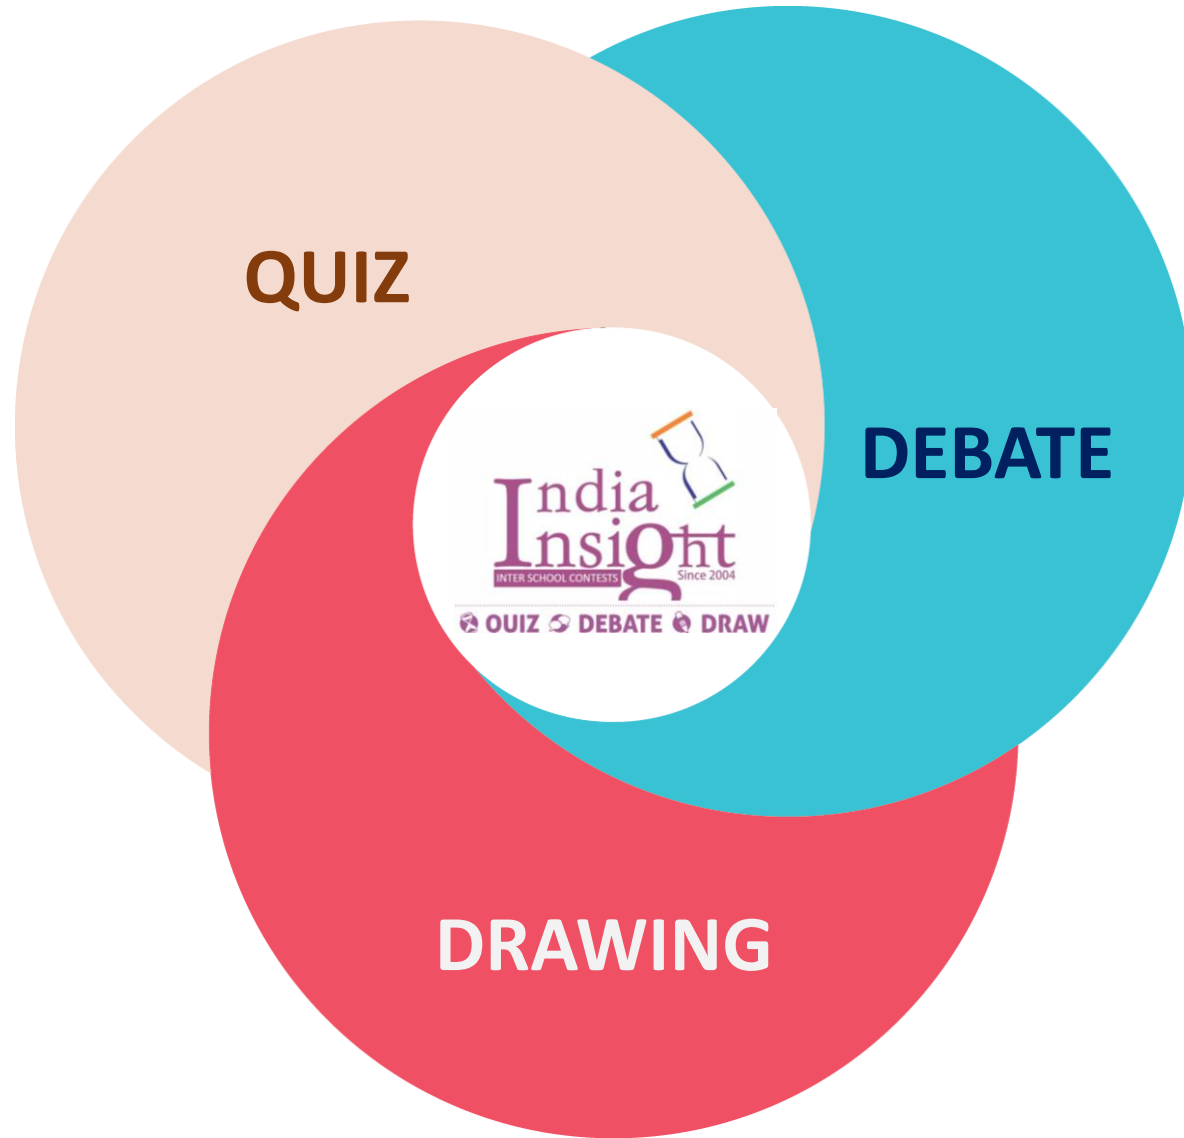

CELEBRATING INDIA

In 2021–22, Vidyaniketan Public School desired to celebrate 75 years of India's independence and the focus of the NEP 2020 to be India centric. To improve the knowledge of India with school children India Insight was extended beyond **QUIZ** to a **DEBATE** and **DRAWING** contest.

By hosting events for children to celebrate India and learn about the country in the process, the school advocates explore, engage and evolve.
