NOTIFICATION

India AI Impact Festival 2024

CBSE in collaboration with Intel is launching the **India AI Impact Festival** with an aim to foster AI readiness among students, educators and academic institutions, promoting innovation and problem-solving skills in an inclusive manner.

Theme: With the theme "AI with a purpose," the India AI Impact Festival 2024 will encourage solutions and best practices that use AI/AIoT, to positively impact underserved communities and foster inclusive growth,

Target Participants: Entries are welcome from students, educators, and educational institutions under the following three categories:

- I. **Impact Creators:** School students in the age group 11 to 18 years, with following sub-categories:
 - ☞ Students of classes VI – VIII
 - ☞ Students of classes IX – XII
 - ☞ Youth in the 18 to 25 years age-group
- II. **Impact Shapers:** Educators from academic/ technical institutions. This category includes teachers, ATL-in-charges and faculties from schools across India. All educators irrespective of the subject they teach, are welcome to participate in this category.
- III. **Impact Nurturers:** For academic/ technical institutions. The Heads of schools/ institutions are encouraged to participate and share the AI journey of their institute in this category.

The Heads of all CBSE-affiliated schools are requested to circulate this information among teachers & students and encourage them to participate in India AI Impact Festival 2024.

Submissions in above mentioned categories are open till 10 May 2024.

Please refer to the attached brochure of India AI Impact Festival 2024 for details.

For any further clarification, schools may write to e-mail to aiimpactfestival@gmail.com.

India AI Impact Festival 2024

Accelerating Innovation through AI with Purpose

Introducing the India AI Impact Festival, a unique national-level platform for next-gen technologists to showcase their AI/AIoT-enabled solutions, and for educators and institutions to share their best AI/AIoT skilling practices.

Initiated in collaboration between CBSE, Ministry of Education and Intel India, with guidance from Atal Innovation Mission, NITI Aayog, the festival aims to nurture a future where technology becomes a catalyst for positive changes, and fosters innovation, creativity, and problem-solving skills, using AI tech and social skills in an inclusive way.

Who Can Participate?

Students and Youth can participate in the Impact Creators Category

Educators & Teachers can participate in the Impact Shapers Category

School, Educational, Vocational & Skilling Institutions can participate in the Impact Nurturers Category

How to Participate?

Step 1 - Develop an AI/AIoT-enabled social impact solution/project

Step 2 - Submit the solution/project as per the format available at <https://aistudent.community/> along with a 2-minute video presenting the project details.

Step 1 – Develop a poster outlining the best practices implemented to enhance AI teaching-learning experiences using the format available at <https://aifacilitator.community/>

Step 2 - Submit the poster at <https://aifacilitator.community/> along with a 2-minute video elaborating on your AI/AIoT experience.

Step 1 – Develop a poster outlining the AI journey and best practices implemented to enhance AI teaching-learning experiences using the format available at <https://aifacilitator.community/>

Step 2 - Submit the poster at <https://aifacilitator.community/> along with a 2-minute video detailing your AI/AIoT journey and its impact on students.

What's in it for You?
