The salient features of the scheme are given below for information and benefit of all concerned.

INTRODUCTION

The Education Department of Sant Nirankari Mandal had been providing Scholarships to the meritorious students since 1993. We were honouring the brilliant students who had achieved excellence in their educational career, sports and cultural fields by offering them a one-time small honorarium to acknowledge their achievements. Though a substantial amount was being spent on this scheme by Sant Nirankari Mandal but it was not catering to the financial requirement of the needy students.

As such it has been decided to amend this scheme to provide complete guidance and financial assistance to the promising and needy students so that they not only acquire good education but also excel in their life. The scheme has evolved an objective and transparent mechanism to provide educational guidance and financial assistance to the eligible students. Education Department will select some promising and needy students every year and provide them complete educational guidance and financial support to pursue traditional courses till they complete their education and settle in life.
