VSLLS YOUTH PARLIAMENT 2025

A PLATFORM FOR VISIONARIES, A LEGACY OF CHANGE

ABOUT US

Youth Parliament is a competitive simulation where students engage in parliamentary debates, diplomacy, and policymaking. By simulating the Indian Parliament and its committees, participants gain insight into governance, politics, and national affairs. Delegates represent political figures or organizations and prepare thoroughly to debate key issues affecting the nation.

We are honored to introduce the 3rd Edition of VSLLS Youth Parliament, a prestigious platform for young minds to exercise their right to free speech, discuss national concerns, and influence discourse on India's growth and governance.

As it is said, "History is written by victors." At VSLLS Youth Parliament, we believe that history is made when diverse minds come together.

OBJECTIVES

Youth Parliament is a competing simulation or a conference through which students, by simulating bodies and houses of the Indian Parliament, learn about diplomacy, effective communication, national/international relations and politics, and the working of the parliament in general. The participants taking part in a Youth Parliament conference are called delegates. Once they apply for a conference, they are assigned to different committees as representatives of political figures or organizations. They do not go blindly to the simulation but are given tasks and preparation materials that they need to explore before they arrive at the venue.

OBJECTIVES OF VYP 2025

- Foster analytical thinking and debating skills.
- Encourage awareness of national and international politics.
- Promote leadership and decision-making abilities.
- Enhance understanding of the Indian parliamentary system.
