**iHUB DivyaSampark, IIT - Roorkee**

**INDIA'S 1ST IVY-GRADE SUMMER SCHOOL  
EXPERIENCE FOR AGES 11-17**

**EXPERIENCE OPEN FOR 100 SEATS ONLY**

# HOAG<sup>TM</sup> SUMMER SCHOOL

INDIA'S 1ST IVY-GRADE EXPERIENCE  
FOR AGES 11-17

At HOAG Summer School, we believe learning is more than just grades and curricula—it's about creating opportunities to think bigger, dream boldly, and live meaningfully.

Hosted at the prestigious **iHUB DivyaSampark, IIT Roorkee, Greater Noida Campus**, HOAG combines the legacy of one of India's premier institutions with a cutting-edge Ivy-grade curriculum designed to shape tomorrow's leaders.

**INDIA'S 1ST IVY-GRADE SUMMER SCHOOL  
EXPERIENCE FOR AGES 11-17**

## ABOUT THE PROGRAM DIRECTORS

### Dr. Gaurav Trivedi

*Professor, Electronics and Electrical Engineering Department, IIT Guwahati*

Dr. Trivedi, is a pillar in the Indian higher education space. He received an M. Tech. in Microelectronics and PhD in Electrical Engineering from the Indian Institute of Technology Bombay, India, in 2000 and 2007 respectively.

Additionally, as the Principal Investigator of the E&ICT Academy, IIT Guwahati and Daksh Gurukul, he drives transformative initiatives that bridge cutting-edge research with real-world applications.

Dr. Trivedi holds eight Indian Patents, seven books, and over 150 peer-reviewed publications, with six best paper awards. He has been a Visiting Expert at 10 institutes and supervised 186 students (21 PhD, 75 MTech, 90 BTech), with 35 currently enrolled.

Through E&ICT Academy at IIT Guwahati, he has overseen 400+ advanced technology courses, training 25,000+ professionals. He serves on IEEE conference committees and as a journal reviewer.

### Mr. Adetya VN Chopra

*Founder, HOAG*

Adetya VN Chopra is a highly accomplished Learning and Development leader with a distinguished 23-year career. He has designed transformative learning and development initiatives at industry giants consistently driving significant organisational impact.

He has previously served as (the youngest) Chief Learning Officer at Motilal Oswal Financial Services, CEO at Veritas Human Capital Consulting, AVP at NIIT, and SVP at Expertrons Technologies.

A proven architect of organisational growth, Adetya has built businesses and high-performing teams from the ground up, transforming them into multi-million dollar enterprises. His expertise spans beyond traditional HR, encompassing strategic business development and operational excellence.

With a passion for developing talent and fostering innovation, he has established himself as a transformative leader in human resources. His exceptional contributions to the field earned him membership in Leaders Excellence at Harvard Square.

As a respected speaker and thought leader, he shares valuable insights on talent management, leadership development, and organisational effectiveness.

At HOAG, he leverages his expertise in creating experiential learning culture across businesses to create a future-ready generation through immersive learning experiences.

## HOAG SUMMER SCHOOL

# IGNITE THE MAGIC OF LEARNING AT iHUB DivyaSampark, IIT ROORKEE, GREATER NOIDA CAMPUS

HOAG Summer School is India's first Ivy-grade summer program for students aged 11-17, designed to spark curiosity, cultivate creativity, and foster global perspectives.

Rooted in the philosophy of holistic growth, HOAG delivers an unparalleled lifeskills and personal development experience.

## WHAT MAKES US UNIQUE

**Magician's Vision:** Transformative learning experiences that empower students to create their own path.

**Sage's Wisdom:** Expert mentors and educators who deliver knowledge with clarity and purpose.

**Creator's Innovation:** iHUB DivyaSampark at IIT Roorkee Greater Noida Campus, is the ideal platform to unlock creativity in every child, fostering an innovative spirit and mindset.

# WHY SHOULD YOU APPLY FOR HOAG— INDIA'S 1ST IVY-GRADE SUMMER SCHOOL?

Because the future belongs to those who dare to explore it.

HOAG Summer School is an immersion into a world where learning is fast, intense, and wildly fun, so your child can discover what they're truly capable of.

## A Taste, Not a Commitment

5 days that could spark the moment your child finds their calling.

Watch them light up as they tackle real-world challenges, develop leadership skills, and grow in confidence. It's not about pressure—

it's about possibility.

HOAG understands your aspirations for your child. No textbooks, no rote learning—just the joy of discovery, the thrill of achievement, and the development of future-ready skills.

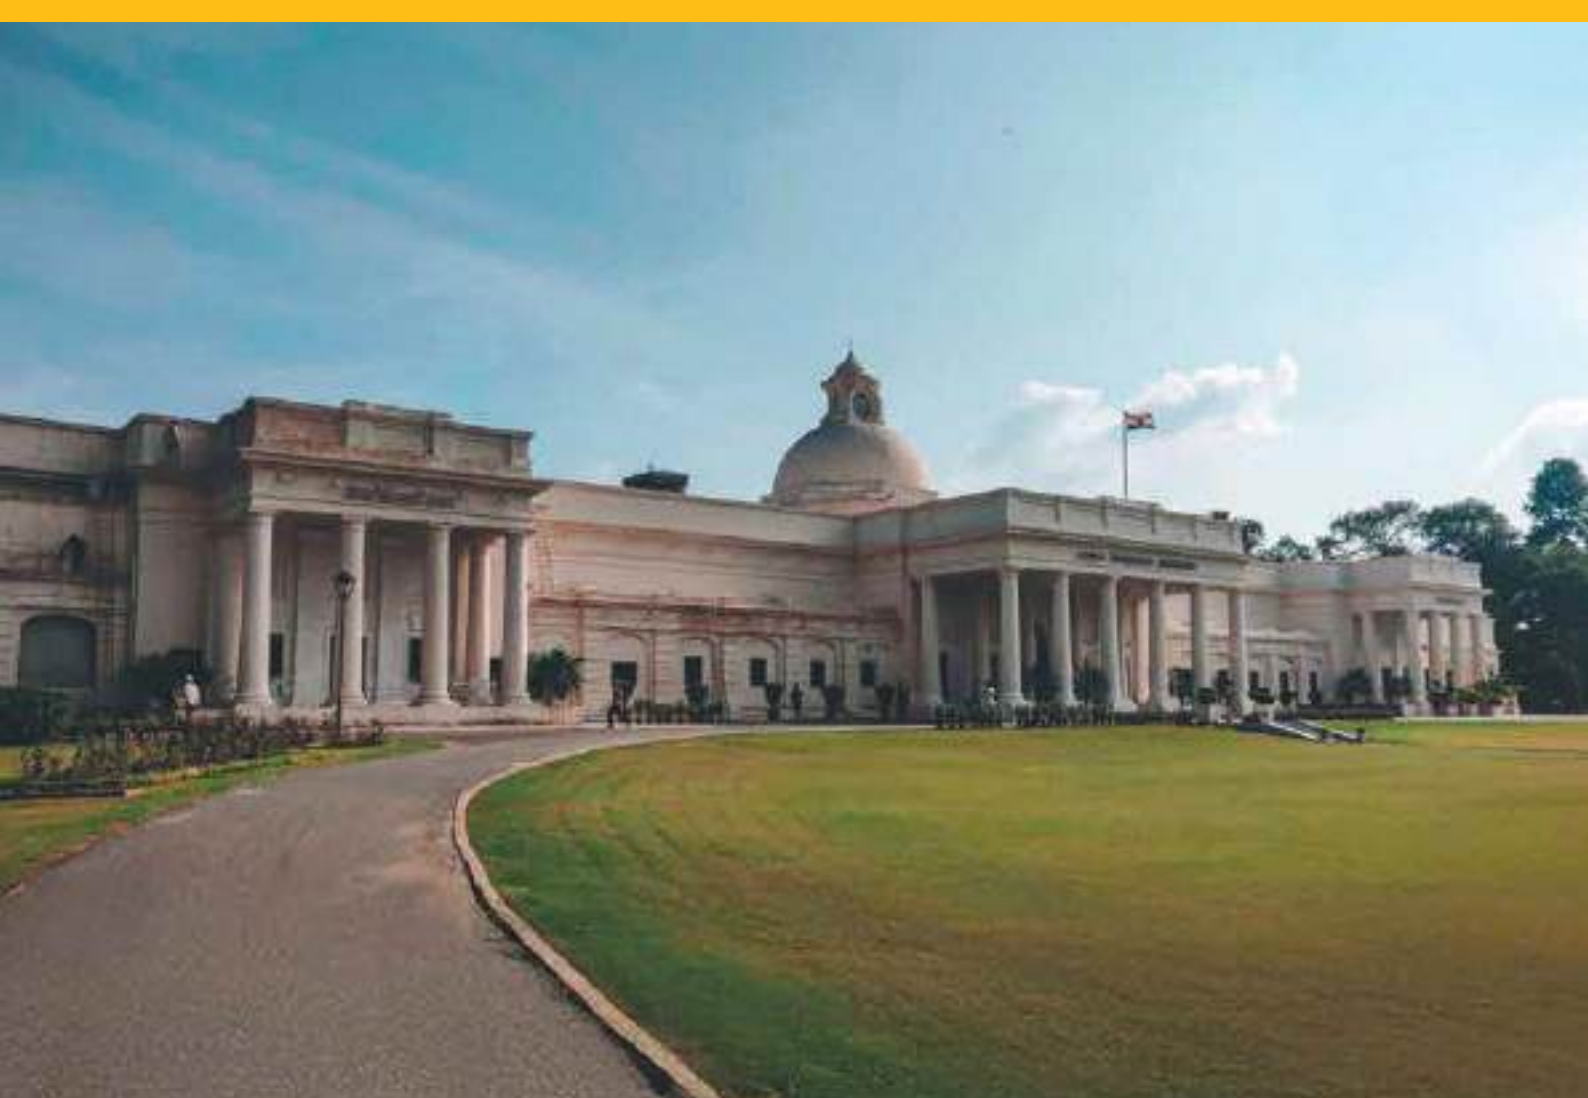

Every day brings a new story your child can't wait to share with you and their friends.

At HOAG, learning comes alive through hands-on experiences, with valuable certifications from HOAG & iHUB Divya-Sampark, IIT Roorkee.

**Are you in?**

## BEYOND TRADITIONAL LEARNING

### **The World Your Children Will Inherit Demands More Than Memorization**

With iHUB DivyaSampark, IIT Roorkee, your child won't just visit the halls of excellence—they'll live it. They'll stumble, create, debate, and discover what they're truly capable of... far from the pressure of grades or parental expectations.

Remember when you dreamed of giving your child every opportunity you never

had? HOAG turns those dreams into reality.

HOAG is not a substitute for school, but rather we're preparing your child for everything schools don't teach—the courage to experiment, the clarity to lead, and the creativity to rewrite rules.

100 seats. One summer that could redefine their future.

**Will your child claim theirs?**

## THE HOAG IMPACT

At HOAG, learning comes alive through hands-on experiences, with valuable certifications from HOAG & iHUB DivyaSampark, IIT Roorkee.

This isn't just a summer school - it's a launchpad for future success, where students break barriers, ignite their potential, and create their own path to excellence.

Think of HOAG as your gateway to an Ivy-Grade education right here in India.

With only 100 seats available, it's an exclusive opportunity to join a community of future innovators and leaders.

# BEYOND THE SYLLABUS

## THE CURRICULUM

# HERE, LEARNING GETS REAL. AT HOAG, WE DON'T JUST TEACH—WE IGNITE CURIOSITY.

Our 5-day residential program, built with Ivy-grade pedagogy and hands-on mastery, is crafted by Dr. Gaurav Trivedi (IIT Guwahati) and Mr. Adetya VN Chopra (KPMG & SHRM Certified Learning Architect) in partnership with iHUB DivyaSampark, IIT Roorkee.

Think Learning, But Like an Adventure. Crack AI with industry-grade fundamentals. Prototype solutions with Design Thinking. Master leadership through real-world challenges like Lego Serious Play® & the Lost Dutchman's Gold. Every workshop is a power move for the future—blending emotional intelligence, innovation, and leadership, mentored by India's top 1% faculty.

This isn't textbook learning. This is HOAG.

Recap the key learnings of four days through creative stagecraft</li></ol></div></div>
<div><div>Learning Methodology</div><div>Experiential Learning</div></div>		

## COURSE FACILITATORS

### Maansi Gupta

Maansi is a distinguished leadership development expert with a remarkable 22-year career trajectory. As a master facilitator, she has impacted over 30,000 professionals through 600+ transformative workshops. Her exceptional public speaking prowess earned her recognition as one of India's top 250 motivational speakers and a place in the Limca Book of Records. Having steered successful business turnarounds across diverse sectors, Maansi brings profound insights to her leadership development initiatives.

### Radhika Kapoor

Radhika seamlessly blends 20 years of HR expertise with her passion for theatrical arts, creating uniquely engaging learning experiences. As a former Director of HR at Oracle India and Managing Partner at STEP Consulting, she has orchestrated impactful organisational development initiatives across prominent corporations. Her innovative approach to leadership development has transformed team dynamics at organisations like TATA 1Mg, Biomerieux, and PepsiCo.

### Bhavneet Singh Bindra

is a dynamic facilitator who has revolutionised corporate learning through innovative experiential programs. With four years of expertise, he has touched the lives of over 5,000 professionals through 200+ transformative workshops. His unique approach blends musical elements, including pioneering the world's first Madal Circle (as opposed to a drum circle; Madal is a traditional Nepalese musical instrument), with strategic learning methodologies. His impact spans major corporations like Deloitte, Tata 1mg, and HSBC, where he has orchestrated large-scale interventions combining collaboration, growth mindset, and cultural enrichment. His scientific background and CELTA certification add depth to his facilitation style.

### Sanjay Lohani

Sanjay combines 20 years of strategic leadership with masterful facilitation skills, driving organisational excellence across global enterprises. His business acumen, honed through senior roles at Arrow Teleflex Medical and Zimmer Biomet, informs his approach to leadership development. As an Emergenetics certified facilitator, he has conducted 200+ workshops, specialising in strategic thinking and high-performance team building.

## COURSE FACILITATORS

### Archana Gauba

Archana is a distinguished Systemic Team Coach and Leadership Facilitator with over two decades of transformative impact. As the former Firm-Wide Learning Leader at EY India, she orchestrated talent development strategies for 18,000+ professionals, specialising in executive coaching and leadership transformation. Her expertise in creating coaching cultures and driving organisational development has influenced senior leadership teams across consulting, manufacturing, and BFSI sectors. Through her masterful integration of systemic thinking and emotional intelligence, she has designed groundbreaking learning journeys that have reshaped leadership capabilities at prominent organisations.

### Neeraj Baj

Neeraj is a versatile learning facilitator with over 15 years of expertise in B2B and B2C domains. His innovative approach has touched 3000+ professionals through 100+ workshops. As a former Associate Director at Amazon India and Deputy General Manager at Godrej Consumer Products, he brings practical business insights to his facilitation. His unique blend of corporate experience and wellness advocacy, including his role as an Art of Living teacher, enriches his developmental programs.

LEGO® SERIOUS PLAY® began as an experiential process designed for use in guided workshops with adults and kids to prompt dialogue and encourage reflection, as well as develop problem-solving skills and use of the imagination. However, SERIOUS PLAY® sets such as the Starter Kit are also suitable for building critical thinking skills in kids aged 6+. Each set is designed to enhance different skills, such as reflection and dialogue. This innovative approach to interaction is a valuable asset in business as well as education and helps participants open up through the approachable medium of play.

EXCLUSIVE WORKSHOP

# WHAT'S YOUR EVEREST?

EXCLUSIVE WORKSHOP

**ARE YOU READY TO  
CONQUER YOUR EVEREST?**

## Meet the Trailblazer **Mr. Sauraj Jhingan**

Everest Summiteer, Youngest climber - Mt. Mera  
and TEDx Speaker, conducting a special workshop  
at HOAG Summer School.

**Sauraj Jhingan, an extraordinary mountaineer and inspirational speaker who embodies the spirit of pushing boundaries and achieving the impossible.**

With an MBA from Symbiosis Institute of Management Studies (SIMS, Pune), Sauraj's journey is a testament to following one's true calling.

Following a 7-year corporate career, he earned certifications as a mountaineer from Nehru Institute of Mountaineering, lifeguard from Royal Life Saving Society Australia, and skydiver from Indian Parachuting Federation.

His notable summits include Mount Everest (2018), Elbrus, Blanc, and Kilimanjaro. As one of the youngest Indians to climb Mera Peak (2009), he has conquered numerous peaks across Asia including Mount Friendship, Stok Kangri, Island Peak, and Mount Nun.

Sauraj now inspires audiences at major corporations like Deloitte, HSBC, and KPMG, sharing his journey from corporate professional to mountaineer.
